

NOVAHR

HR and Payroll, Built for South African Business

Welcome to NovaHR

Your Getting-Started Pack

hello@novahr.co.za | novahr-five.vercel.app

NovaHR Welcome Pack

Format: Branded PDF (convert this markdown; cover page with logo, orbit-star icon, brand colours) **Sent with:** the welcome email on subscription.

Page 1: Welcome

Welcome to NovaHR. This pack contains everything you need to get from sign-up to your first live payroll, plus the key contacts and policies that govern our service to you.

Your details:

Company	[Customer name]
Plan	[Starter / Growth / Scale]
Subscription start	[date]
Billing contact	[email]
Account owner	[name, email]

Page 2: Your Setup Path

The two-week onboarding path (full detail in the Onboarding Guide):

1. **Foundation (days 1-2):** company profile, statutory reference numbers, pay day, leave policies;
2. **Data (days 3-7):** capture employees using the Payroll Setup Guide checklist;
3. **Verification (days 8-11):** test run in parallel with your current payroll; accountant sign-off;
4. **Go-live (days 12-14):** approve, publish, archive the report, diarise the EMP201.

Page 3: Support and Contacts

Need	Channel	Hours
How-to help, issues	hello@novahr.co.za	08:00-17:00 SAST weekdays
Payroll-blocking emergency on pay day	hello@novahr.co.za , subject "P1" [+ WhatsApp ● for Growth/Scale]	Priority handling
Billing	hello@novahr.co.za	Weekdays
Security concerns	hello@novahr.co.za , subject "SECURITY"	Monitored continuously

Include in every request: company name, what you were doing, what happened, a screenshot (redact ID and bank numbers).

Page 4: Statutory Deadlines at a Glance

- **7th of every month:** EMP201 (PAYE + UIF + SDL) filed and paid;
- **Monthly:** UI-19 declarations to the Department of Employment and Labour;
- **March:** new tax year; NovaHR updates tables automatically;
- **April/May and Sept/Oct:** EMP501 reconciliations;
- Full detail: SARS Compliance Calendar in your Help section.

Page 5: The Legal Bits (summary, with links)

- **Terms of Service:** the agreement governing your subscription;
- **Data Processing Agreement:** how we protect your employees' personal information under POPIA (you are the Responsible Party; we are your Operator);
- **SLA:** 99.5% uptime commitment and support response times;
- **Support Policy:** what support covers and how to escalate;
- **Refund and Cancellation Policy:** cancel anytime; 14-day money-back on your first subscription; 30-day data export window;
- **Compliance disclaimer:** NovaHR is software, not a tax practitioner; you remain responsible for filings.

Page 6: Five Tips From Us

1. Verify dates of birth and medical dependants before your first run;
2. Never share logins; invite each person with their own role;
3. Export and archive every payroll run report (SARS: 5 years);
4. Use the parallel run for your first month; it catches setup gaps;
5. Email us feature requests; the roadmap is shaped by customers.
