NovaHR Sales Deck Outline

Format: 10-12 slides, branded (build in Google Slides/Canva from the brand guidelines). Used in guided demos and sent after calls. Screenshots marked `[shot: ●]` come from the polished demo tenant (light + dark sets exist in `marketing/`).

Slide 1: Title

NovaHR: HR and payroll, done right, for South African SMEs. Logo, one product screenshot, presenter name. *No agenda slide.*

Slide 2: The Monthly Reality

The 25th for a typical SME: spreadsheet formulas nobody trusts, bureau invoice per payslip, WhatsApp leave requests, EMP201 due on the 7th. One relatable illustration, three bullets max.

Slide 3: The Cost of That Reality

Three numbers: [insert plan price]/m bureau fees at 15 staff; [X hours from discovery call] admin hours/month; 10% automatic SARS penalty for one late EMP201. Source each.

Slide 4: NovaHR in One Picture

Single dashboard screenshot [shot: dashboard] with five callouts: Employees, Payroll, Leave, Attendance, Reports.
