NovaHR Proposal Template

Format: branded PDF, 4-6 pages. Personalise every bracketed field; delete sections that do not apply. Send within 48 hours of the discovery/demo call.

Cover

Proposal for [Company Name] HR and Payroll on NovaHR Prepared for: [Name, title] |
Prepared by: [Name], NovaHR | Date: [●] | Valid until: [+30 days]

1. What We Heard

(3-5 bullets from the discovery call, in their words. This section wins or loses the proposal.)

- You run payroll for [N] employees in [tool/bureau], costing [R●/month or ● hours];
- Leave is tracked [how], causing [pain];
- [Compliance concern: POPIA / SARS deadlines / audit trail];
- You want [outcome] by [date].

2. Proposed Solution

NovaHR will consolidate your employee records, payroll, payslips, leave, and reporting in one secure platform:

Your need	How NovaHR addresses it
[Payroll pain]	SARS-compliant PAYE/UIF/SDL engine; publish payslips in one click
[Leave pain]	Self-service requests, manager approvals, BCEA-default balances
[Visibility pain]	Dashboards and exportable reports (EMP201 figures ready monthly)
[Compliance pain]	Encrypted, tenant-isolated platform; signed DPA; full audit log

3. Implementation Plan

Two weeks from acceptance to first live payroll:

Phase	Days	What happens	Who
Foundation	1-2	Company and statutory setup	You, with our guides
Data	3-7	Employee capture ([N] employees)	You [+ our onboarding session: Growth/Scale]
Verification	8-11	Parallel run against your current payroll; accountant sign-off	You + your accountant
Go-live	12-14	First live run published	You, with us on standby

4. Your Customer Success Plan

- Named contact: [founder name], hello@novahr.co.za;
- [Growth/Scale: live onboarding session(s) and training per the Training Schedule];
- Support per our SLA: P1 response in 2 business hours; priority queue [Growth/Scale];
- 30-day check-in, then [quarterly/monthly] reviews;
- Every March: SARS tax tables updated automatically, at no charge.

5. Investment

Item	Amount (excl. VAT)
NovaHR [Plan] plan ([limit] employees)	R[●] per month
Onboarding and setup	Included
Support and SARS updates	Included
Total monthly	R[●]
[Annual option: R[●]/year]	

No per-payslip fees. No setup fees. 14-day money-back guarantee. Based on your numbers, this replaces approximately R[●]/month of current cost (bureau fees + admin time), a saving of R[●]/year (see attached ROI worksheet).

6. Why NovaHR

- Payroll engine verified against SARS sources, 200+ automated tests, practitioner-reviewed;

- POPIA: DPA, encryption, audit logs, registered Information Officer;
- Part of Nova Business OS (POS, accounting, CRM) as you grow;
- Local support from people who know EMP201 from EMP501.

7. Next Steps

1. Accept this proposal (reply or sign below);
2. We activate your account and send the Welcome Pack the same day;
3. Setup starts per the plan above; target go-live: [date].
